

CAMDEN EQUINE CENTRE
A SPECIALIST SERVICE OF THE UNIVERSITY OF SYDNEY

Ambulatory service map

The Camden Equine Centre provides an ambulatory service with fully equipped vehicles that provide a broad range of emergency and treatment options at your premises.

The below map indicates the areas serviced:

- Blue indicates areas serviced for pre-booked consultations that are not of an emergency nature.
- Red indicates areas serviced for emergency call outs. It is hospital policy that our emergency service can only be provided within the area indicated above. This ensures we are able to guarantee the highest possible quality of service to our patients.

Travel fee

A travel fee of \$2 per km applies for all on-farm consultations. Discount travel fees apply for bookings by several owners within a single location. Call our Reception team for an estimate.
